

UNION COUNTY AUDITOR ANDREA WEAVER

Office Policy changes due to Coronavirus (COVID-19) Health Crisis

In response to the COVID-19 situation, the Auditor's Office will continue to provide services to the best of our ability. Being mindful of public health concerns, effective March 19, 2020, our offices will be closed to the public. For those who need to conduct title work/land transfers, a drop-off/pick-up area is available in the County Administration building, 233 W. 6th Street, Marysville. The drop-off/pick-up area is located near the County Engineer's office, there is appropriate signage to indicate this area. If you wish to leave any document for processing or if you have a Board of Revision (BOR) filing, please utilize this option. As an alternative for BOR filings, the documents can still be mailed (mailing address below), faxed (937-645-3057), or emailed (auditor@co.union.oh.us) to our office. The deadline for BOR filings is March 31, 2020. For dog tag licensing, please utilize the on-line purchasing option.

With the situation changing almost daily, we will provide updates to this policy as needed.

Please call (937-645-3003) during our normal business hours or email (auditor@co.union.oh.us) our office if you have any questions, concerns, or need to conduct other business with our office. There will be a staff member available to assist you.
